

WORKSHOP SUPERVISOR/ TECHNICIAN REQUIRED

This is a fantastic opportunity to progress your agricultural engineering career by taking the next step on the career ladder.

We are currently recruiting for our Dunbar Depot

Working for a premier dealership, we will assist you to develop your skills alongside support from UK and Europe's leading supplier of harvest equipment.

You will be working for the only Platinum rated Claas dealer in the country, using the latest diagnostic equipment, backed up by possibly the best training package of any manufacturer.

Your duties will include supervising our expanding workshop, assisting with technical issues with existing engineers and manufacturers, as well as playing a leading role in growing our Dunbar workshops and branch.

Reporting to the East Coast After Sales Manager you will be an integral part of the Dunbar team

We offer a very competitive salary, bonus structure as well as a service vehicle, laptop and all the technical equipment the job requires.

If you would like to move forward with one of the largest independent agricultural machinery dealers in the UK and would like a confidential discussion please contact Maurice Lamb on 07774 248870 or alternatively please email your CV to careers@rickerby.net

All enquiries are treated in the strictest confidence.
