

APPRENTICES REQUIRED

Take the first step of your career..

Rickerby Ltd is the largest Independent CLAAS dealership in the UK with eight outlets across the North of England and Scotland. Due to the continued growth of our business we are looking to recruit additional members of staff for our busy workshops.

We are currently recruiting Agricultural Engineering Apprentices for all our Rickerby Depots

A Rickerby apprentice will receive ongoing support from an experienced team whilst training and earning a competitive wage at the same time. The ideal candidate will have a keen interest in engineering, be willing to learn and demonstrate an interest in farm machinery. We offer a 4 year engineering apprenticeship with block release at the new dedicated Claas Academy at Class UK Headquarters with an outcome of an IMI Diploma in Landbased Engineering.

As well as Claas tractors and machinery we represent several other premium manufacturers - for example Lemken, McConnel, Opico, KRM, Bailey, Kawasaki, Abbey and Schaffer.

If you would like to move forward with one of the largest independent agricultural machinery dealers in the UK please contact your local branch for details or email your CV to careers@rickerby.net

All enquiries are treated in the strictest confidence.
