

New Burscough Branch Opening Soon

Make a new start

at our purpose built branch

ENGINEERS REQUIRED

With the new Rickerby branch at Burscough getting ready to open soon, this is your chance to make a new start with the number one CLAAS dealer in the UK. You will be joining the dedicated and enthusiastic team of people who we already have in place for our Burscough branch.

Using the latest diagnostic equipment backed up by probably the best training package of any manufacturer—your duties will include the repair and servicing of a wide range of machinery and equipment both in our workshops and off site. You will diagnose technical faults on the full range of CLAAS equipment as well as our other premium franchises.

You should be conscientious self motivated, meticulous and able to work to a high standard.

This is a fantastic opportunity to develop your skills with a premier dealership alongside support from the UK and Europe's leading supplier of harvesting equipment.

We offer a very competitive salary, bonus structure, pension, staff uniform, paid sick leave as well as a service vehicle, laptop and all the technical equipment the job requires.

If you would like to move forward with one of the largest independent agricultural machinery dealers in the UK and would like a confidential discussion please contact Robert Todd on 07834 677310 or alternatively please email your CV to careers@rickerby.net

All enquiries are treated in the strictest confidence.
