Agrii Northern Farming Conference 2020

We invite you to our well-established and highly popular one-day event featuring morning and afternoon seminar sessions with key speakers. Our Agrii Northern Technology Centre is based on-site, opposite the Equestrian Centre, reflecting our close partnership with Bishop Burton and Riseholme Colleges. This event is geared for practical discussion and debate, and is relevant to the current challenges we face in agriculture, as well as considering the opportunities for the future.

The day runs from **9am** to **4pm** with seminar sessions throughout the day.

Please see below for Seminar timetable.
