

**As a CLAAS Finance customer you are aware that we are able to finance all new and used CLAAS machinery\*. But did you know that we can also fund new and used non-CLAAS agricultural equipment and vehicles\*?**

As a specialist finance provider for the agriculture sector, we can look at competitive payment patterns to match your cash flow whether they are monthly, quarterly, half-yearly, annual, or seasonal.

And with the current Annual Investment Allowance totalling £1 Million (up until March 2023), perhaps now is the time to maximise your allowance and take advantage of this government offering\*\*.

**Please contact us to discuss any potential purchases or to provide a quotation. We look forward to hearing from you.**
