

WE'RE BEHIND YOU ALL THE WAY!

AVATAR 3.16 – 8.16 SD
Click to learn more about the AVATAR range.

“There’s never an issue with germination and in dry, hard situations it’ll penetrate no matter what.”

Nick Light, Suffolk, March 2023

“Very capable and versatile drill.”

Stuart Russell, Lincolnshire, July 23

LEEB LT
Click to learn more about the LEEB range.

“Simple to use, but HORSCH technology makes the sprayer so efficient. The boom technology is unreal.”

Matthew at R&SJ Pickering, Lincolnshire, 2023
