Winter Service Offers

POST HARVEST OFFER

Winter Service work confirmed by customer before 22nd December 2024.

Work to be completed by 1st March 2025.

Deferred Payment Options Available.

Applicable to all harvesting equipment.

20% off Labour
10% off Parts

WINTER OFFER

Winter Service work confirmed by customer between 2nd January 2025 and 1st March 2025.

Work to be completed by 30th April 2025.

Deferred Payment Options Available.

Applicable to all harvesting equipment.

10% off Labour
5% off Parts

Any harvesting equipment winter service work booked in after 1st March 2025 will be charged at the full retail prices at that time.

Planning ahead to save you money.

Our aim with this package is to offer you an efficient, cost effective service, whilst at the same time reducing the demands on our service departments at peak times of the year. We value your co-operation to allow our engineers to complete the work required, any time between now and next Spring, either on your farm or at our premises.

Genuine Parts, Genuine Service.

Our service department use CLAAS genuine parts and recommended lubricants according to machine model and specification for all service requirements.

Complete peace of mind.

You receive the very best level of service from our highly qualified technicians.

Registered in England No: 5854271. REF436.

Are you pushing and pulling your limits?

Are your tractors faster & more powerful?

Are your trailers larger & heavier?

Do you want to ensure your vehicles are safe, roadworthy & fit-for-purpose?

Do you want the job done thoroughly & professionally?

The Agricultural Tractor Trailer Scheme provides the answer

The Agricultural Tractor Trailer Scheme (ATTS), enables trained dealers to provide a valuable service to their customers, including documented vehicle inspection and brake performance testing, in a single package. This gives the customer confidence that a machine will satisfy statutory requirements, or the test will highlight any vehicle issues which need to be addressed.

There are legal requirements for owners and operators to ensure vehicles are;

- Maintained in a safe and roadworthy condition,
- Satisfy statutory construction and performance requirements,
- Don't endanger the safety of other road users and,
- Don't exceed statutory speed or weight limits.

**Book your
test with
CLAAS WESTERN
today**

For more information on this essential tractor-trailer safety scheme, go to <https://bagma.com/training/agricultural-tractor-trailer-scheme/> or scan the QR code.

The easiest way to keep on track.

The ARION 600 CMATIC offers:

- Seamless acceleration and deceleration between 0-50kph.
- Uninterrupted power for maximum productivity and fuel efficiency.
- 3 simple drive modes.
- Auto stretch brake.
- Tractor implement control.
- Engine droop adjustment.

Congratulations to our Service Apprentices

Billy Brownlee

Join us in celebrating Connor Babb from our Cirencester depot and Rhys Morris from our Evesham depot for graduating from the CLAAS Apprenticeship program at the recent ceremony in CLAAS UK Saxham. We are proud of their achievements and wish them the best as they head to New Zealand for the CLAAS Service Engineer exchange programme.

Safe travels and continued success to both!

We are thrilled to celebrate a significant milestone in Billy Brownlee's journey as a Year Two CLAAS Service Apprentice with CLAAS Western. Billy's Year one growth and on job learning has been successful and receiving his Snap-on tool kit marks a pivotal moment in his development and stage of the CLAAS apprenticeship.

The Snap-on tool kit, provided as part of our four-year service apprenticeship program, is not just a collection of tools but a testament to Billy's hard work and promise in his chosen career path.

Billy's hands-on experience, combined with the professional-grade tools now at his disposal, will undoubtedly enhance his ability to contribute

meaningfully to our team. His proactive approach and willingness to tackle challenges head-on have already made a positive impact at CLAAS Western.

We are confident that Billy will continue to grow and thrive, leveraging his new tools and expanding his expertise to become a skilled and valued service professional. Congratulations, Billy, and our other Year 2 apprentices, on this exciting achievement. We look forward to witnessing your continued success and are proud to have you as part of the CLAAS Western family.

If you would like to find out more about the CLAAS Service apprenticeships and how you can Engineer your Career, please use the QR code provided.

WINSTON'S WISH **WW**

Giving hope to grieving children

Each year a different business unit are able to choose the Charity of the Year for the Company to support for that coming year. This year was the turn of CLAAS Western.

Each CLAAS Western location put a charity forward and the charity chosen for this year is Winston's Wish.

Winston's Wish is a charity that helps children, teenagers and young adults up to the age of 25, find their feet when their worlds are turned upside down by grief. Last year they supported 62,484 grieving children and young people, and 90% of their income comes from their supporters.

Every day across the UK, children and young people lose someone significant to them.

The death of someone important can be the most traumatic experience a child or young person will ever face.

Winston's Wish relies on voluntary charitable donations to support children and their families following the death of a parent, sibling or important person.

Since 1992, they have helped tens of thousands of bereaved children and young people and, with your help, can help tens of thousands more during the most difficult time of their lives.

CLAAS UK Limited's
JustGiving Page

The most comfortable way to keep everything under control.

The AXION 800 CEBIS CMATIC offers:

- 215 to 295hp from a fuel-efficient FPT Stage V engine.
- CMATIC CVT offers stepless 0-50kph.
- 3 driving modes.
- CEMOS operator assistance system.
- Up to 205 l/min hydraulic system.
- Two cameras and ISOBUS in the CEBIS terminal.
- CMOTION multifunction control lever.
