

# THE CLAAS ROLLANT 540

A new era of CLAAS ROLLANT balers

## CLAAS know that reliability and durability are essential for a good harvest.

That is why we have developed a fixed-chamber baler with a 1.22 x 1.25 m bale size. This concept has been developed in the UK and Ireland over a number of years to ensure that it meets our customers' requirements. The ROLLANT 540 is tried, tested and ready for your harvest.
