Our team deserve the highest level of protection we can offer.

In order to maintain a healthy environment and comply with Government regulations we require all parts, service and sales requests – via the telephone or email.

Our Depots are still operation and we intend to keep a normal level of support and supply.

Please see [eastern.claas-dealer.co.uk](http://eastern.claas-dealer.co.uk) for contact details.

We have systems in place and collection options to avoid all personal contact.
