Machine Specifications

Price	£275,000 (excl VAT)	Year	2023
Make	CLAAS	Model	JAGUAR 980 4WD
Stock Number	61017297	Pick Up Size (m)	3
Maize Header	none	Engine Hours	2182
Cylinder Hours	1641	Drive Type	Hydroydro
Road Speed (kph)	40 KPH	Front Tyre Size / Condition	710/70R38 70%
Rear Tyre Size / Condition	600/65R28 70%	Condition	Very good
Roller Crop Press	✓	Auto Shearbar	✓
Air Conditioning	✓	Corn Cracker	✓
Hydraulic Trailer Hitch	✓	Weights	✓

Additional Information:

CLAAS JAGUAR 990, ---, ## Engine & Power - Maximum Throughput Class, **MAN V12 D2862 - 850 hp (625 kW) @ 1,800 rpm (ECE R120)**,* High torque reserve for heavy maize and high-yield grass,* DYNAMIC POWER for fuel-optimized load control,* Fuel monitoring system,* 450 L auxiliary fuel tank,* Constant fan drive,* 40 km/h road speed, Designed for contractors and large-scale operations where daily output is critical., ---, ## Chopping & Processing System, ### V-MAX 36-Knife Chopping Cylinder,* Maximum chop quality and uniform length,* Wear ribs for extended durability,* Universal shear bar for multi-crop flexibility, ### Feed & Precompression,* Crop Flow XL intake channel,* Hydraulic precompression for consistent crop mat formation,* Serrated/smooth lower feed roller,* STOP ROCK stone detection,* Metal detector,* Roller cover for feeder housing, Built for uninterrupted harvesting in high-volume crops., ---, ## Multi Crop Cracker - Heavy-Duty Configuration, **MULTI CROP CRACKER CLASSIC L**,* 100/125 hard chrome-plated teeth,* Manual gap adjustment,* Hydraulic belt tensioning,* Electrohydraulic accelerator gap adjustment, Optimized for intensive maize processing and maximum kernel destruction., ---, ## Pickup & Front Attachment, **I36 PU300 - 3.0 m Grass Pickup**,* High-capacity intake,* Compatible with pick-up hitch, Front attachment drive:,* Variable speed,* Prepared for DIRECT DISC, Additional:,* Double-acting spool valve for PUH,* Additional front weights: 5 x 750 kg compatible with pickup hitch, ---, ## Spout & Filling Automation,* Standard discharge spout with XL extension,* Rotation ring XL,* OPTI FILL automatic spout control,* LED spout light (pivoting, synchronized with chute flap), Ensures precise trailer filling with minimal crop loss., ---, ## Driveline, Axles & Soil Protection, **Drive Tyres**,* 710/70 R38 175D Trelleborg,* Tyre pressure control system, **Steering Tyres**,* 600/65 R28 154A8 Trelleborg, Additional:,* Dynamic steering,* Steering angle sensor, Strong traction, reduced compaction, and improved road handling., ---, ## Guidance & Precision Farming,* CEMIS 1200 terminal,* SAT 900 GNSS receiver (SATCOR 15 activation),* GPS PILOT activation,* GPS PILOT Ready,* CLAAS Communication Module (LTE),* TELEMATICS Ready,* Remote Service Ready, Designed for precision guidance, fleet management, and contractor-level machine control., ---, ## Cab & Operator Environment, **Comfort Package - Premium Specification**,* Comfort cab with A/C MATIC automatic climate control,* Leather air-suspended comfort seat,* CMOTION multifunction control lever,* CEBIS terminal with leather armrest,* Storage box with cooling unit,* Instructor seat (leather),* Radio (MP3),* Side and rear window wipers,* Sun blinds (side & rear),* Air horns, Built for long harvest days with reduced operator fatigue., ---, ## Lighting & Visibility,* Premium LED work lighting package,* LED rear lights,* LED service and step lighting, Ensures safe night harvesting and road transport., ---, ## Maintenance & Service,* Automatic central lubrication system,* Compressed air hose with blow gun,* Remote Service ready,* TELEMATICS ready, Minimizes downtime and simplifies daily servicing., ---, ## Silage Additive System,* Integrated additive system with 375 L tank
