

COVID-19

Business Risk Reduction

MANNS are taking the following actions to help limit the Coronavirus outbreak. Our objective is to maintain business as usual but most importantly to ensure the safety of ALL employees and customers.

Your support and co-operation during these challenging times will be appreciated.

- When entering the building, please use the sanitizers provided.
- **If you are aware that you have visited a 'high risk' area or have had any contact with, family or a member of the public, that has shown Covid-19 symptoms please DO NOT ENTER THE BUILDING, instead CALL 01376 345875 to speak to a member of staff.**
- Please remain in your vehicle, if you require spare parts we will bring them to you and place in the back or boot of your vehicle

Thank you for your help and support.
